

RESOLUTION #2025-5

Tilden Township, Berks County, Pennsylvania Stormwater Management / Drainage Plan Review and Inspection Fee Schedule

This fee schedule is established in accordance with Ordinance No. 191, 2009, Part 6 (Fees and Expenses) duly enacted by the Tilden Township, Berks County, Pennsylvania, Board of Supervisors on January 5, 2009.

Original Application Fee– Intended to cover the review of the original submission, one (1) re-submission and two (2) construction inspections by the Township Engineer.

If Plan is required, fee is based on Proposed Area of Earth Disturbance Activity as follows:

= \$1,065.00 + [Proposed Area of Earth Disturbance in square feet – 5,000 x 0.04] rounded up to the nearest dollar

Additional Fees – If engineering or legal fees exceed the amount collected for the Original Application Fee, the Applicant will be invoiced for the difference. Engineering fees for 2025 are based on the rate of \$137.50/hour.

All fees shall be made payable to: “Tilden Township Stormwater Fund”
